

**CANDIDATE FOR MAYOR  
CITY OF MONTCLAIR**

**NAME: PAUL M. EATON**

**AGE: 70**

**OCCUPATION: Mayor**

The City of Montclair has been my home for 41 years. It has remained the welcoming, stable community we found in 1965. I was raised to believe community service is the responsibility of a good citizen. In 1970 the path was laid for me to run for an elected office. I remain committed to serving the City's residents, advocating for their interests and the betterment of the community.

Much has been accomplished and much is left to do. I am proud that during my current term the City's budget shows a healthy reserve; the skate board park is open; the Police Department has increased staff by 8 percent; Fire Department has been stocked with new state of the art equipment; the City's parks have new, safer play equipment; the Senior Citizen and Youth programs are growing; new housing is upgrading the City's housing stock.

With commitment and proven experience the future is bright. Continued progress will give the City a new Police Station, Senior Citizen and Youth facilities. We look forward to a new light-rail Goldline station, the North Montclair downtown specific plan, the completion of the Mission beautification program and the Ramona bridge separation.
